PROJECT

I M P A C T R E P O R T

2023

To our Hands & Feet Project
community,

Thank you for making 2023 an
IMPACTFUL year. It is an honor to take
part in another year of following the
faithfulness of God alongside you.

As a team, we will pursue, love, and
care for Haiti's vulnerable children.
Together, we will extend the reach of
God's love.

- *Hands & Feet Project Team*

A tropical sunset scene with palm trees and a building. The sun is low on the horizon, creating a warm, golden glow. The sky is filled with soft, white clouds. In the foreground, the silhouettes of palm trees and other tropical foliage are visible. In the background, a building with a balcony is partially obscured by the trees.

HANDS & FEET PROJECT

OUR MISSION IS TO BE THE HANDS AND FEET
OF CHRIST FIGHTING FOR THE CAUSE OF
VULNERABLE CHILDREN, THEIR FAMILIES, AND
THEIR COMMUNITIES.

Every day in Haiti

children experience the poverty-driven cycles of neglect, abandonment, trafficking and slavery because families lack access to social services, job stability, medical care and quality education.

Hands & Feet Project is a group of passionate child and family advocates working to break these cycles by fighting to keep families together.

Since 2004, our organization has provided homes for 129 children, prevented 274 children from experiencing separation from their families, and employed 425 individuals in the community.

Conditions in Haiti

In 2023, Haiti saw no major political shifts.

While the people rose against gang violence, significant change remained elusive. Beyond the capital, life stabilized, schools resumed, and a new normal emerged. Despite minimal improvement, the country adapts, hopeful for a brighter future.

Despite challenges, our commitment to Haitian children and families is unwavering. We seek Divine intervention for protection against gangs, political stability, and sustainable costs. Your prayers are greatly appreciated.

We Believe

the best orphan care strategy starts with the fight to keep families together.

Family preservation has been a vital component of our programming since 2013 when we added "Fighting to Keep Families Together" to our mission statement and began advocating for families in the communities we serve.

In 2023 we opened four new Little Hands Daycare classrooms, extending our Preserving Families project even further into the communities we serve. The daycare provides struggling parents of young children with a free, high-quality childcare option, enabling them to work to support their families and preventing child abandonment and family separation.

Partnering with Communities

At Hands & Feet Project, we fight for the cause of vulnerable children, their families, and their communities in the hope that as we bind together communities and strengthen families, they will, in turn, protect the vulnerable children within them.

In 2023, we launched the Partnering with Communities project, a collaborative effort with Upstream International to achieve this very goal. Together, we share a vision of equipping local leaders and spreading the message of hope.

Through the strategic Church & Pastoral Support and Christian Community Development programs, we aim to equip local pastors, churches, and leaders. Our goal is to nurture their roles as catalysts for positive change and ambassadors of Jesus Christ, fostering success in the communities we serve.

Circle of Care

Our Circle of Care is a comprehensive model that addresses the physical, emotional, spiritual, and educational needs of every boy and girl under our care. This model has set a standard of excellence for our teams as we approach all aspects of our work and strive to live out our mission.

Physical: Clean water, Nutrition, Ongoing medical & dental care, Dignified private spaces, Safe homes, Health education and training.

Emotional: Family-style care, Safe & nurturing environment, Promotion of healthy attachments, Ongoing assessments of care, Caregiver training, Counseling and clinical services.

Spiritual: Local church family, Village worship, Bible training Faith-based curriculum, VBS, Christ-centered care, Discipleship, Bibles, Age-appropriate small groups, Christian Church Camps.

Educational: Private Christian schooling, English classes, Year-round tutoring, Vocational skills training, Transitional living programs, Daycare services, and Individualized education plans.
